"Together in Christ – we make a difference"

Welcome from the Headteacher

I am delighted to welcome you to our prospectus and thank you for considering St Illtyds as a school for your child to grow and prosper within.

A Catholic education is unique: with Christ at its centre, it aims to educate young people to develop and achieve all that they can.

At St Illtyds we are uncompromising in our pursuit of academic "excellence" and in developing the skills our young people need in the 21st Century. We also focus on the whole person, morally and spiritually, and in doing so our aim is to emphasise the importance of the gospel values of care, compassion, love and forgiveness.

Beyond the classroom the school is justifiably proud of the opportunities it provides on the sports field, in the areas of music and drama, and the chances for travel and to experience the great outdoors.

St Illtyds has a fantastic future ahead combining traditional standards and Catholic values with a forward looking professional staff determined to achieve all that they can for the pupils in their care. We would be delighted if your child were to join our community.

Within the following pages you will find plenty of useful information, which is supported by our website, but if in doubt please call us or visit the school.

I look forward to meeting you.
Mr D B Thomas - Head teacher

Our Vision

“Together in Christ, we make a difference”

The mission of St Illtyd’s is to be a Catholic School where every individual is highly valued and where care and concern for others is the foundation of our work. All our pupils are expected to achieve their full potential and become equipped for adult life.

When they leave us St Illtyd’s students should...

- Have developed Christian values which support their life choices
- Know God and will have developed a relationship with God
- Have a respect for other people
- Have gained the best qualifications they can
- Be literate, numerate and will embrace developments in technology
- Have good communication skills and be good listeners
- Have good social and personal skills
- Be resourceful, resilient and motivated
- Be confident, self disciplined young adults who believe in themselves
- Have ambition, a direction for their future and a love of learning
- Have basic life skills
- Be physically active and dynamic
- Be able to work as part of a team
- Be able to apply their skills and knowledge in different situations
- Have a sense of citizenship, of charity and respect for others
- Be globally aware

We commit to do everything possible to meet the needs of each individual, to inspire young people to learn and grow personally and spiritually. St Illtyd’s is an exciting learning community which challenges us all to extend ourselves further and to grow in the love of Christ.

Attendance & Punctuality

Full attendance at school is vital if pupils are to achieve their full potential. 95% attendance is the minimum target for all pupils. Even then this means that 10 days or 50 hours of learning are missed, never to be repeated. The school follows the attendance guidelines issued by the Local Authority in that fixed penalty notices will be issued to those parents whose child’s attendance causes concern. The Headteacher will not sanction holidays in term time.

The Wellbeing Team analyse attendance on a daily basis. This ensures parents/carers are kept aware of attendance concerns and this communication is an important part of school life. Educational research has shown that excellent attendance leads to success in examination results.

Tutorial Time

The school day includes 20 minutes tutorial time, which is also used for assemblies. Assemblies include whole-school themes which are delivered by members of the senior leadership team, class assemblies delivered by pupils and celebration assemblies delivered by the Heads of Year. There are also opportunities to celebrate Mass throughout the year.

Where no assembly is taking place, pupils remain in their tutor bases and work on literacy, numeracy and PSE.

Admissions Policy

The Governing Body has responsibility for admissions to the school, and it will admit up to 176 pupils into Year 7 each September. This policy describes how places will be allocated in Year 7 in 2023, the application procedure and also outlines priority criteria which will be used in the event of the Governors receiving more applications than there are places available.

St. Illtyd’s Catholic High School is a Voluntary Aided Catholic school which operates within the Archdiocese of Cardiff. The Governors aim to offer a Catholic education and require that any parents applying for places for their children will support the Catholic character and ethos of the school. Nevertheless, the school fully respects the beliefs of parents and children from all denominations and faith backgrounds. Pupils at St. Illtyd’s are taught respect and tolerance for others and there is provision in the religious education programme for learning about different faiths.

St. Illtyd’s Catholic High School was established to serve the Catholic community in the East of Cardiff. The school offers secondary educational continuity to children drawn from its Catholic partner primary schools who wish to transfer at 11+. These children normally reside in the Catholic parish boundaries of the geographical area situated east of the river Taff and within the south of the city (see below):

Designated Parish	Designated Catholic
Blessed Sacrament	Primary
St. Alban’s	St. Alban’s
St. Cadoc’s	St. Cadoc’s
St. Cuthbert’s	St. Cuthbert’s
St. David’s Cathedral	St. John Lloyd
St. John Lloyd	St. Peter’s
St. Peter’s	

Admissions Categories

176 pupils will be admitted to Year 7 in September 2022. Where there are more than 176 applications, then 176 places will be allocated to the children of parents whose initial applications were received by the closing date. Applications will be considered in the following order of priority:

CATEGORY NUMBER	DESCRIPTION	EVIDENCE REQUIRED
1	Looked After Children (presently or previously)	Notification from Local Authority
2	Baptised Catholic children who attend a designated Catholic Primary School	A copy of the Baptismal Certificate or notification from the Church where baptised
3	Baptised Catholic children who are not enrolled at a designated Catholic Primary School	A copy of the Baptismal Certificate or notification from the Church where baptised
4	Baptised Catholic brothers or sisters of pupils already in the school at the time of determination and who will be pupils at the time the applicant commences at the school	A copy of the Baptismal Certificate or notification from the Church where baptised
5	Other baptised Catholic children	A copy of the Baptismal Certificate or notification from the Church where baptised
6	Children of other denominations, who have a sibling on roll as of 1st September 2020	Name and form group of sibling
7	Non-Catholic children who attend a designated Catholic Primary School	Confirmation from primary school
8	Children of other Christian denominations whose parents attend a church	Evidence in writing of practice of worship from a Priest, Minister or recognised Pastor
9	Children from a non-faith background whose parents wish them to be educated in a Roman Catholic School	Letter written by parent/carer stating reason for application

The governors may admit any child without regard to the above criteria (but not so as to give priority over any applicant in category 1) whose application shows exceptional medical reasons. Evidence in statement form supported with any documents such as a medical report or letter in support from a doctor or other health or social services professional must be supplied with the application. The application shall explain why St. Illtyd’s is most suitable and describe the difficulties if required to attend a different school.

Notes

In the event that there are more applicants than places available within a category, the direct distance of the child’s home to the school will be the determining factor. Distance will be measured by GPS information available at the time from the front door of the child’s home address (including flats) to the main entrance of the school.

In the case of children who are asylum seekers or refugees (where there may be no paper evidence of baptism or commitment to another denomination or faith) evidence may be sought from a relevant agency or otherwise.

For the purpose of this policy a “sibling” refers to brother or sister, half brother or sister, adopted brother or sister, step-brother or sister, or the child of the parent/carers partner, and in every case, the child should be living in the same family unit at the same address.

Right of Appeal

Parents who are not offered a place for their child have the statutory right to an appeal hearing before an independent panel. Parents wishing to appeal should do so by letter. The letter should be sent to the Clerk to the Governors @ St. Illtyd’s Catholic High School, Newport Road, Rumney, Cardiff CF3 1XQ within 14 days of notification of the decision not to admit. The appeals panel will then meet to consider the appeal and any supplementary information provided within 30 days of the receipt of the appeal.

Parents who are not offered a place have the statutory right to appeal against the decision of Governing Bodies in the matter of school admissions. The appeal’s panel is entirely independent of the Governors and of the Local Authority.

Admissions Procedure

All applications for places must be made by completing the school’s online application process. The Governing Body is the admissions authority and therefore responsible for the allocation of all places at St. Illtyd’s Catholic High School.

The Local Authority form online must also be completed, as you need to show preference to other secondary schools.

For entry to Year 7 in 2023 the online form must be submitted at www.stilltyds.org/uk/admissions by no later than 3pm on 21st November 2022.

Priority is given to applicants who apply by the published deadline. If there are more applicants than places then applications will be considered in accordance with the priorities in this policy and then placed onto a waiting list until September 30th 2023.

We want parents to make an informed choice about secondary school and we encourage families to visit our school in order to find out more about our learning at St. Illtyd’s Catholic High School. However, your visit will not form part of the process of deciding which children will be offered a place.

The Governors will accept applications for entry to Year 7 in September 2023 on behalf of children born between September 1st 2011 and August 31st 2012.

Mid-year applications for any year group will be considered under the same policy and over subscription criteria.

The Governing Body Admissions Panel will meet to determine admissions through the application of the oversubscription criteria. Applicants will be informed of the outcome of the admissions panel meeting on 1st March 2023.

Pupils who are excused from PE must bring their kit to the lesson as they may be required to umpire or assist in a coaching role. A doctor's note will be required for a long term medical problem.

All items of jewellery must be removed prior to taking part in PE and all valuables should be handed to the PE staff at the start of the lesson.

Breaks

All pupils are encouraged to leave the building at break times to get some fresh air, whatever the time of year. Food and drink is available to purchase from the canteen and all pupils should remain on the school site at all times.

On days when the weather is poor, pupils will be allowed indoors. Most pupils will remain in the canteen or main hall, but there will be other designated areas for year groups to be in. No food or drink should be consumed outside of these areas.

The school field is used by pupils at break and lunch times in good weather. This is also a major PE teaching area and any litter must be placed in the bins and not left on the field. pupils should also ensure any games they play are safe and free from injury.

Every day a full team of staff are on duty both inside and outside the school building to supervise pupils.

Religious Education

As you would expect, Religious Education is a compulsory subject throughout the school and all pupils will sit a GCSE. The subject is taught according to the doctrines and beliefs of the Roman Catholic Church. The subject is an important way in which the spiritual, moral and social development of our pupils is encouraged. All pupils who join the school are expected to make a positive contribution to RE lessons and to the prayer life of the school.

Worship in School

We aim to offer our pupils a range of opportunities for worship as well as frequent masses. We have regular assemblies and class prayer. Mass is celebrated weekly and at important times in the school year. We also provide services of reconciliation. We have occasions when drama and music are used to enhance worship. There are times when groups of pupils are taken off-site for reflection or go on retreat. These are important ways we try to develop the spiritual and moral dimension in our pupils.

Curriculum

We believe that at St. Illtyd's Catholic High School the curriculum should do the following:

- Develop each student's potential as a human being to the full, nurturing in all persons positive attitudes to learning which will enable them to be open to, and adapt to new ideas and methods.
- It must develop the pupils skills in Literacy, Numeracy and Digital competency to allow them to achieve all that they can.
- The curriculum must allow critical thinking and problem solving. Pupils should be encouraged to be creative and innovative, bringing planning, organisation and personal effectiveness skills to the fore.
- Enable the growth of each child's personality, and the process of self-discovery and self-development; it should actively help students to become self-reliant, self-respecting and responsible adults.
- Enable pupils to play a full part in the life of the community to which they belong, and to express as fully as possible the social side of their nature as human beings, the curriculum must develop the capacity to work both collaboratively and independently.
- In addition, the curriculum must develop a personal moral code sensitive to the needs of others, it must promote equality of opportunity and respect for all men and women irrespective of creed, race or sex. The curriculum must take account of the value of preserving and developing the cultural identity of Wales.
- Recognise the unique personality of each pupil and to take adequate account of individuals' needs, the curriculum must at first be as broadly based as possible and cover all the areas and elements of learning. As the pupil progresses through each Key Stage, the curriculum should become more clearly tailored to the needs of the student.

Key Stage 3 (Years 7 – 9)

Pupils follow a broad and balanced curriculum which includes English, Mathematics, Science, Religious Education, Art, Design Technology, Drama, Geography, History, ICT, Music, Physical Education, Spanish, Welsh and PSE.

Pupils will be set by ability for core subjects. Setting is driven by levels and standardised scores in literacy, numeracy and languages. Pupils that require additional support with their learning are assisted by members of the Inclusion department.

Key Stage 4 (Years 10 & 11)

All pupils in Key Stage 4 study a core curriculum of English, Mathematics, Science, Religious Education, Physical Education, Welsh 2nd Language and the Skills Challenge Certificate.

At Key Stage 4 there is more flexibility for individual pupil choice in their formal curriculum. Option choices are broad so that we meet the needs of all our pupils.

Pupils are able to choose two additional subjects to take as options. These can include:

Art & Design, ASDAN, Business Studies, Childcare, Drama, DT Graphics, DT Product Design, DT Textiles, Photography, Food & Nutrition, Geography, History, Information Technology, Music, Physical Education, Spanish, The Princes Trust Award.

A range of additional courses are also available through utilising additional providers.

Home School Links

The progress made by pupils is likely to be improved if there is regular communication between school and home. Research shows that one of the most important factors in the success of a child is when the parent and school work together. We are committed to working with you to support the pupils in our care. We will keep you well informed and ask that you also keep in contact with us.

Interim reports are issued three times a year, and every parent receives a fully detailed report once a year. There are also parents evenings in all year groups. Certificates, letters of commendation and general newsletters are also regularly sent home. "The New Illtydian" is our termly school newspaper, which gives considerable information of our achievements and keeps families and members of the local community informed of events at the school.

It is very important that the communications between home and school are kept open. Never hesitate to contact school if you think there is a problem. We aim to contact you regularly as outlined above, but may also need to contact you at other times if necessary. The sooner we discuss an issue, the sooner it can be resolved.

Homework

Homework is set for all pupils in almost every subject. It may involve written work, reading, revision or research. It may take the form of a project to be completed over a few weeks.

Additional Learning Needs

Mrs D Jenkins is our Assistant Headteacher for Inclusion and she oversees the school's provision for those children who need some extra support with their learning in some way. She works with students across all year groups. The inclusion department employs a team of teaching assistants who are deployed to support pupils across the curriculum.

Following our mission statement, we recognise the need to develop the potential of all pupils. So, the school has a clear policy for pupils with additional learning needs; and Mrs Jenkins works to ensure that it is effective. To assist in this work, we also employ two Alenco's and teaching assistants, and we call on the advice of various specialists when required.

The full policy covering additional learning needs is available on the school website.

Extra Curricular Activities & School Visits

A wide range of extra curricular activities is on offer in school. They will appeal to pupils with particular interests. Details are given to pupils at the start of the school year, and as events are arranged during the year.

Particular features of our after-school activities, are the opportunities in music and drama. We have choirs, ensembles and an excellent orchestra. We have a history of first-rate stage productions. Opportunities exist for any interested pupil to take part.

In sport, the school has teams in all the major games: netball, rugby, football, athletics, baseball and many more. Where there are local leagues, the school takes a full part in them; otherwise, friendly matches are played against other local schools. Within school, there are friendly tournaments in the course of the year. Among these, sports day in July is the high point of internal competitions.

We are proud of the success of our teams and we encourage any girl or boy with a sporting interest to develop their talents. Regular practise sessions are organised after school and all pupils are welcome to training sessions from which squads and teams are selected.

There are many opportunities for pupils to participate in fieldwork and visits to a wide variety of places. In recent years pupils have had the opportunity to visit New York and Washington DC, Paris, Storey Arms, PGL Adventures and skiing in Austria. In addition there are visits to local venues including theatres, historical sites, retreats, exhibitions and other shows.

Our Expectations of Each Other

Our school ethos is based on all students being:

Polite, Proud and Prepared.

Polite

- Speak politely to everyone and listen carefully.
- Embrace different cultures, teaching styles and beliefs.
- Follow instructions straight away.
- Do your work and let others do theirs.
- Raise your hand for attention.
- Take extra care on the stairs
- Help anyone who is in trouble.

Proud

- Take care of school and personal property.
- Celebrate the achievements of yourself and others.
- Wear full school uniform and remove your outside coat.
- Act in a sensible and safe manner.
- Put all your litter in the bins provided.
- Not get involved in fights or encourage others to fight.
- Report any incidents to a member of staff

Prepared

- Arrive on time, come in quietly and stand behind your chair.
- Come to class with the correct equipment.
- Stay on task in class.
- Know what your next steps are in your learning.

Other information

There are many documents available in school that lay down our policies and procedures. These are all available on request from the office or on the school website. If you would like to have a copy of any policy, Governing Body documents or schemes of work please contact the school office. A charge may be made for photocopying.
