9th March 2025

Dear Parent/Carer,

I am writing to you to announce that from after Easter the school is changing its catering contractor from Cardiff Council to Chartwells.

All pupils have had the opportunity to register on the new system and the prices are similar to those of the council. A selection of the menus and choice available will be sent out to you and you can find further details of menus and prices on our website. Below is a message from Chartwells and like us, I know that they are excited to be starting this new venture with the school.

At Chartwells, we connect thousands of pupils and students to nutritious, ethically sourced food through exceptional school catering services. These are brought to life by our passionate, values-driven teams across schools, colleges, and universities throughout the UK.

Prioritising wellbeing for people & planet

We're wholeheartedly committed to making a positive impact with every mouthful we serve. From fresh, homegrown ingredients to carefully curated nutritional profiles, our catering services are designed to benefit both people and the planet.

Creating memorable moments

Our frontline teams are the heart of our business — building strong relationships with pupils and students, and fostering engaging social environments.

We listen actively to parents, pupils, and students to shape food offers and educational experiences that reflect their values.

Our commitment to innovation ensures the consumer journey is as smooth and convenient as possible.

Food for thought

Our dedicated nutritionists and chefs bring food to life, curating menus that cater to a wide range of tastes, dietary needs, and preferences across all educational settings.

We also offer a variety of engagement programmes, including nutrition-focused activity clubs and workshops that promote healthy eating habits and positive relationships with food.

Payment methods have not changed but please ensure that your accounts are kept up to date with enough funds to cover the costs. Chartwells do not allow accounts to go into debt.

We are looking forward to the changes to come and we look forward to receiving feedback from all concerned.

Best Wishes,
Mr D B Thomas

Together in Christ, we make a difference
